Lottery Calendar FUNDRAISER!!

This fundraiser helps with medical costs for our kittens (testing, vaccines, spay/neuter) & cats.

How It Works:

The Lottery Calendar is tied to the first drawing of the daily PA Lottery on each of the 30 days in September 2026 at 7pm. (Straight numbers only).

Each ticket has a 3 digit number & is good for each of the 30 days of September 2026. If your ticket number matches the first drawn daily PA Lottery number - you win! You can win multiple times if your number comes up again in the month.

Each ticket costs \$5.00.

You can purchase throughout the month of August 2026 from our volunteers or at any of our events during that period.

The daily winning prize is \$25.00 except on September 7th (Labor Day) when it will be \$50.00. Payment will be mailed to the winner by check about two weeks after the drawing.
